## Seniors Prop Comes Out On Top!

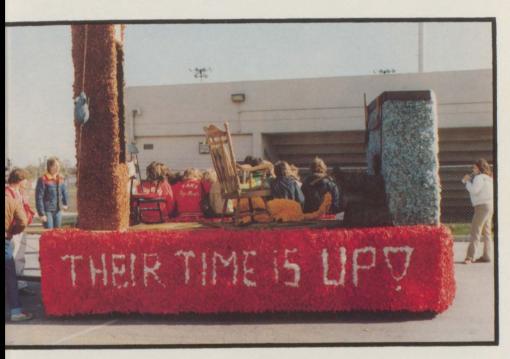

Seniors bring down the house with their award winning prop, Mother Goose. The colorful float with flapping wings and flirting eyes, steals the spot lights. Prop crew members began preparing Mother Goose on September 16, for her star performances in the Homecoming parade.

Big Reds Bandboosters float puts the spotlights on our Victory Bell.

Juniors "The Old Lady in The Shoe" strides into second place. As the Old Lady peeks out the back window to look at her competition Hickory Dickory Dock chimes into third place for the Sophomore class. As the mouse runs up the clock, the clock strikes four, for the Freshmen and poor old Humpty Dumpty.

## Senior Grand

It seemed like it was only yesterday when we entered high school as Freshmen, full of all sorts of different ideas about how we would spend the next four years of our lives. Everyone seemed so towering in size compared to us little freshmen. The threat of "Freshmen Kill-Day" was always on our minds.

In 1979, we were at two different schools: PHHS and PHCHS. No one had any idea that we would merge into only one school.

Here, at PHHS, our 1979 homecoming float entered competition with the theme of "Toys". We placed fourth with our Choo Choo Train.

Simultaneously, at Central, the class of "82" built homecoming walls, the theme being "The Four Seasons". Proudly, it tied for third place.

In 1980, the theme at PHHS for the float competition was "The Muppets". Our Sophomore year must have brought out our spirit and coordination. We placed second with Ernie and Oscar the Grouch.

Central's 1980 walls were based on the "Holidays" theme. We triumphantly built a giant

As we crowded together for our final appearance of our high school years we gathered behind the Port Huron Fire Hall for our class picture. Fond memories of high school days went through

our minds. Remembering the embarrassing times as freshmen, the exciting times as sophomores, the glorious days of our junior year, and finally our senior year helped all of us to grow.

Valentines heart with Cupid shooting his arrow and took second place also.

The 1980-81 school year brought us up a step on the ladder as we became Juniors. But this year also brought something else: split sessions.

Though split sessions were the worst thing that ever happened to Port Huron High, there were also good things that came out of it—like the merging of two schools which gave us all the opportunity to meet new friends! Classrooms were occupied with weary students from 6:40 a.m. until 5:25 p.m. and our sports were taken away from us, but somehow we managed to adjust.

Now the class of "82" is the Senior class. Mother Goose took off flying into first place, and we have a winning football team. We finally put our crosstown rivals, Northern Huskies, in their place and we let the whole community know it!

Now as we look back on our Senior year and everything we have accomplished during our high school years, we wonder, as we did as Freshmen, what the world holds in store for us.

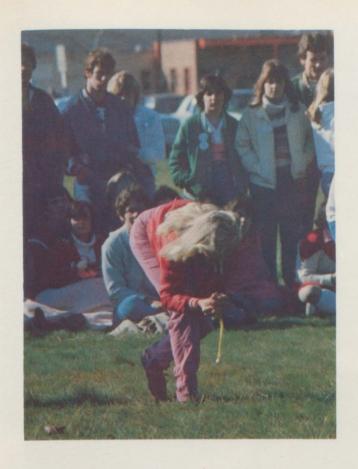

#### The Day the Parade Was Made

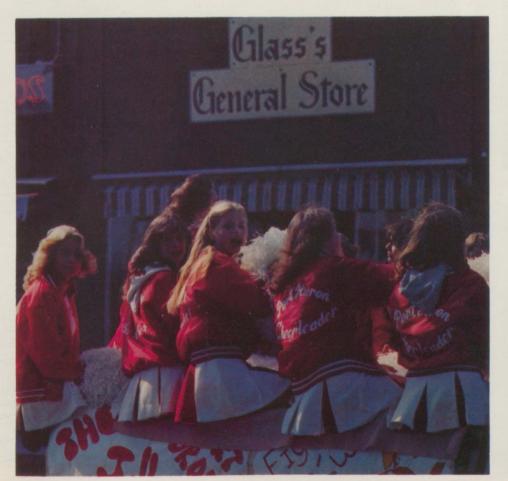

Brad Dickey, Teresa Shank, and Marcia Ruff ride in a truck in the Homecoming parade.

Mr. Burgess supervises the egg toss during the Homecoming games.

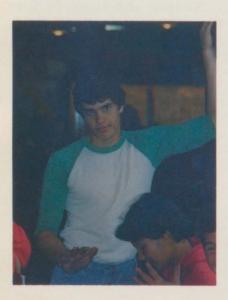

Determined Stacey Reynolds catches the egg but misses the yolk.

Smiling Mary Crimmins, Ann Breidnich, Mary Anne Kruse, and Chris Horbes watch the homecoming games.

Cheerleaders Karen Novar, Beth Hooper, Anna Prax, Petra Dickerson, Denise Nadeau, and Carol Phillips provide sound effects during the homecoming parade.

- Court member Anita Harrison is being chauffeured by junior Pam Fox during the parade.
- 4. Carl Muehlman appears to be making a point.
- 1. Steve Teeple escorts Senior Homecoming Queen, Sue Raschke
- 2. Mark McVay shows the Senior float is #1!
- 3. Seniors show how the egg toss is done.
- 4. Seniors Frank Rotondi and Derrick Faulkner are having fun in the wheelbarrow race in the homecoming.
- Senior Liz Noetzel and Jill Secory watch Senior Dave Rix in the hamburger eating contest.

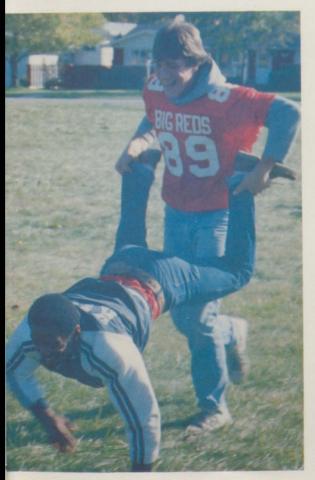

#### Active Seniors in Their Glory Days

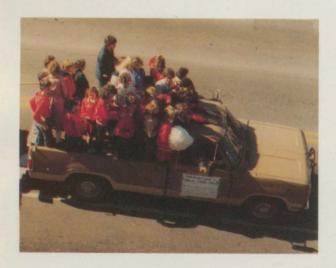

#### Senior Spirit Shines Its Brightest

- 1. Seniors show pride after winning the victory bell!!
- 2. Cruising seniors proudly pull their winning float.
- 3. Hobbling Don Edwards and Doug Lohr cross the finish line in the three legged race.
- Punkers for the first dance of the year are R. Sumner, P. Heddle, T. Langolf, J. Secory, L. Howe, S. Hubbard, M. Solomon, Mrs. Howe, and A. Harrison.
- 2. Paula Heddle reviews yearbook layouts.
- Junior P. Cummings drives Senior Class President Sue Ballard.
- Senior class advisor Mr. Bricker is proud of his cast in the "Great Performance!"

Gayle Strobbe smiles as she thinks of fond memories when she was in the spotlight as Port Huron High's homecoming queen of 1981.

Senior nominees Theresa Langolf, Beth Ann Green, Judy Polechonski, Renee Walsh, Sue Ballard, Terri Lloyd, Sue Raschke, Kelly Lozano, Michelle Justa, and Anita Harrison all excelled in beauty and personality.

A radiant Sue Raschke is driven by Will Parker in the homecoming parade.

### Academics Create Success

In the Library Andy Hinkley works on a problem of Democracy assignment. P.O.D. is the final senior requirement for graduation. To graduate a senior must complete and pass 38 semester credits. Among those credits a student must pass 6 semesters of English, 6 semesters of Social Studies, 4 semesters of Mathematics, 2 semesters of Science, 2 semesters of Health Education.

# Seniors Have Pep

Seniors get fired up at pep assemblies. Is it because it's their last year of high school? Or is it because sports are back? Assemblies help get school spirit back on a roll. At assemblies students get the chance to be loud and have a good time. It's a time of high energy where they can let off excess steam. This pep assembly for the football team demonstrates the seniors showing their spirit for the return of sports.

### Football—A Command Performance

Spirit and pride were brought back to Big Red Country by Coach Semelsberger and his staff as the varsity posted three quick wins to start the season. An important victory was a 14-7 defeat of arch rival Port Huron Northern. Another big win was our Homecoming game when we defeated Anchor Bay 20-0. Tony Ward and Doug May were winners of the Tubby Meyers Award as most valuable players. Sebastian Sutton and John Breidenich won the Harry Smith Sportsmanship Award. The Harry Anderle Defensive Players were Ron Edwards and Doug May. Roger Zeller was the Hal Willard Unsung Hero. Doug May and Don Edwards were awarded the Marsh Campbell Captains Award. Finally Jim Manning won the Springer and Rose "Sparkplug" award. In a season made possible by the hard work and dedication of our athletic boosters, Doug May and Rob Glombowski were selected first team All Eastern Michigan League.

Top 1st Row: Roger Zeller, Joe Andrews, Darius Green, Wayne Moak, Scott Hayes, Gordie Dunlap, Derrick Faulkner, John Downing, Stig Fisker, Ray McDonald, Dwayne Kidd, Dave Smith, Brett Moore, Coach Semelsberger. 2nd Row: Frank Rotondi, Rocky Stone, Rob Glombowski, Vince Armstrong, John Chapman, Jim Manning, Dave Chapman, Tony Ward, Ron Edwards, Dave Carpenter, Mike Hiembach, Jule Klebba, Coach Weymouth, Coach Law, Coach Misyiak. 3rd Row: Dave Myron, Sebastian Sutton, Earl Wickings, Ray Warsinski, Scott Beerbower, Dwight Henderson, John Briednich, Bruce Buckly, John Tocco, Paul Cummings, Ted Chickonowski, Rich Shepard, Paul Dougherty. 4th Row: Mark McVay, Dave Rix, Dan Johnston, Ty McAlpine, Guy Heinz, Don Edwards, Doug May, Doug Jones, Carl Muehlmann, Dave Dunsmore, Lenny Smith. # JV Leaps to the Lights

Top row: Coach Semelsberger, Larry Thelmas, Ron Willie, Bill Gilbert, Jim Rich, Steve Phillips, Calvin Nichols. Bottom row: BJ Sanderson, Oscar Knight, Chris Floyd, Troy Dixon, Tom Miller, Aaron Hauenstein, James Grybowski.

Coach Semelsberger calls time out for a pep talk with the team, he tells them, "You have to hustle! Put more pressure on the ball!"

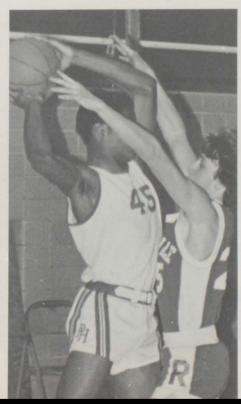

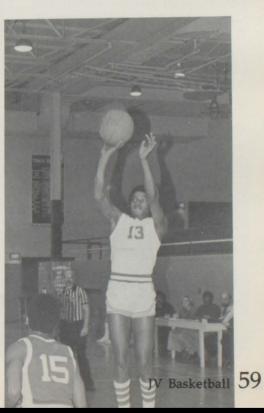

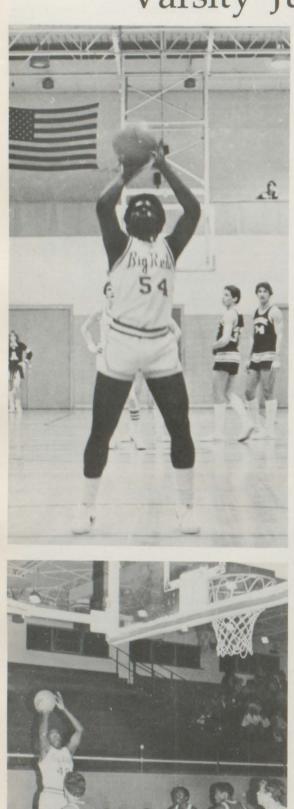

At the left, Bill Gilbert leaps to win the game's opening tip. Above, Coach Semelsberger uses a time out to motivate the defense number 43, Nat Brown demonstrates a devastating baseline jumper. Mighty Larry Thelmas is looking for an outlet on the sideline. Sophomore, Troy Dixon pulls for a shot up from the baseline. Not one member of the J.V. Basketball team has ever played on a high school level before. The team votes on a new captain every game so every player has a chance to be captain. Semelsberger feels that East Detroit game was the best played because of the defensive line. Key players were Larry Thelmas, Troy Dixon, Aaron Hauenstein, B.J. Sanderson, Steve Phillips and Bill Gilbert.

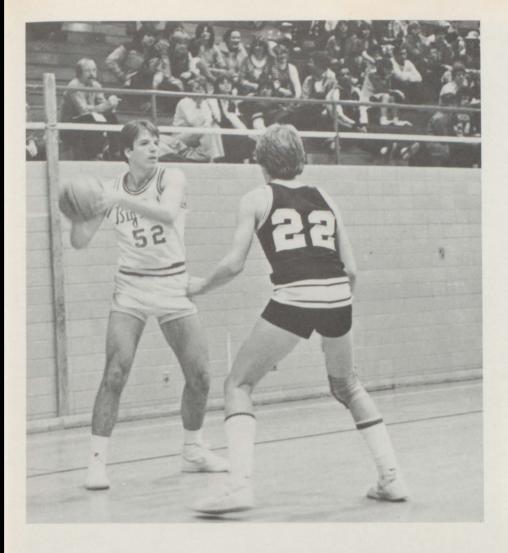

# Varsity Jumps Into Action

Freshman Wendell Callahan shows us his good style in throwing in a technical shot. High jumper Paul Prax jumps high and waves good bye to the ball and knows it goes in. Big Red Wendell Callahan shows how to hold the ball high for a two pointer. Off to the side Terry Renaker tries hard for a good sharp pass. Forward Ron Edwards shoots from the top of the key in the New Haven Game. Center Howard Reynolds pulls up for a jumper against Mt. Clemens.

Coach Boldon's Big Red Basketball Defensive Philosophy is one simple statement: "Do unto others before they do unto you." This year Boldon has taught his team that good defense is a *real* signal of pride. Although this year's record has been poor, next year promises to be much improved.

Top Row, Dwan Lindsay, Art Dixon, Howard Reynolds, Terry Renaker, Wendell Callahan, Doug Lohr, Eric Bolden, Fred Revenue Bottom Row, Charles Jemison, Paul Prax, Dave Vernon, Mike Gibson, Corry Banks and Manager Danny Wilson.

Gaining varsity experience is Wendell Callahan who drive the outside land during the Mt. Clemens game for an easy two pointer. Corry Banks looks on in the back court ready to move offensively or defensively as needed.

Coach Bolden stressed, ball control as a key factors in offensive basketball. When you have the chance to play "Breakdown" basketball do it. Working for a good shot without turning over the ball is the key to a good offensive game. For both offense and defense you must have good rebound control. In pressure situations its better to go with a high percentage shot.

Underclassmen on this years team will be much improved next season.

### Set to Conquer

Conquering was not a habitual act for the Junior Varsity Volleyball team. The team accomplished many things through out the year with learning and improving the basic skills as a main goal. Also, teamwork was an important factor for this year's team.

Practices helped to prepare the girls for the game. These usually consisted of running laps, spiking, bumping and setting drills, repetition serving, and playing matches. Though this was tiring, it was well worth the task as it kept the team in condition and good health. At left freshman Mo Koerber gets ready for her teammate Tori Hartman's setup in hopes of spiking it at her opponent.

Manager: Diana Micallef, Maureen Koerber, Shelly Tinsley, Debbie Kennedy, Sue Gurske, Sue Artman, Malise Callahan, Rae-Anne Pringle, Tammy Green, Becky Falk, Tori Hartman, Debbie

Stein, Sue Esquibel, Geraldine Sutton, Lisa Woodyard, Kelly Bauman, Tracy Green, Mary Gardocki

## Varsity Spikers

The varsity volleyball team consists of ten seniors and five juniors. After a year without sports these girls bounced back with pep.

At the right, watchful Lisa Jacobson observes as team captain, Judy Polechonski skillfully sets the ball up for a fellow player to spike. At the bottom, dynamic Brenda Vincent shows her opponents how volleyball really should be played. Bottom right, shows the concentration of Vicki Aguinaga #3, Janie Driggers #13, Nicole Berro #14, and Judy Polechonski #12 as the ball comes to their side of the net. The power team spiked aggressively and received forceful serves of opponents without any shyness. This resulted in Port Huron High's first

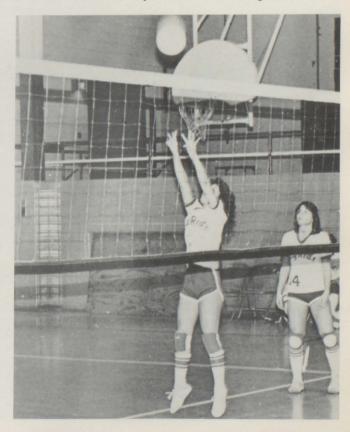

Coach Arlene Elliott, Becky Lapine, Vicki Aguinaga, Lisa Jacobson, Kim Tinsley, Janie Driggers, Jill Wager, Dawn Wogtoszek, Loradean Jones, Julie Brown, Diane Hamlin, Nicki Berro, Brenda Vincent, Judy Polechonski (Captain).

#### The Curtain Rises on the Director and Assistants

"Big Red country is fortunate to have such a dedicated leader as Mr. Wydrzynski!". . . . Mr. Payton.

Chet Wydrzynski was born in Detroit and attended North Eastern High School in Detroit. He attended Wayne State for four years, Michigan State and University of Michigan both for one year. He also served in the Army for three years.

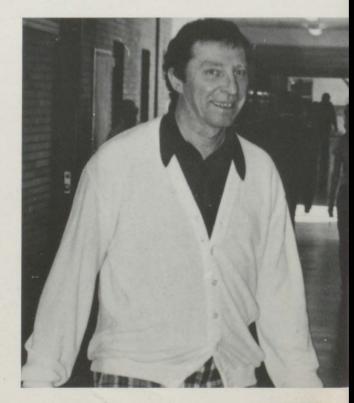

Before coming to Port Huron High School he taught English, Social Studies, Latin, and coached track and football at Northern High School in Detroit.

He became a "Big Red" in 1968. The behavior and the spirit of our students is what he likes best about his job.

Assistant Principal John Ufford says it for all Big Reds, "Chet Wydrzynski is the most dedicated school administrator that I have ever worked with."

Principal Chet Wydrzynski stated that Tim Haynes, "works hard, is dedicated to his humanity and loves kids." Mrs. Biddle also states that Haynes is, "a good Assistant Principal, who backs up teachers, and is fair with the kids."

Tim Havnes was born in Ann Arbor. He went to Port Huron High School and then went to college. He attended five different colleges in eight years. His first line of work was the ministry, but he quit so he could be closer to kids. He has been our Assistant Principal for eight years, and loves his job, especially now that we have sports. Mr. Haynes' favorite sport is football. Some of his hobbies are: jogging, handball, fishing, and gardening.

Who do you see every schoolday? Who is a friend to every student? Who disciplines you, but always gives you a fair chance? No, it's not your mom, it's Mr. Ufford.

Mr. Ufford is one of P.H.H.S.'s assistant principals. A few of his responsibilities are equipment inventory, the buildings activities, discipline, and more he's our friend.

Mr. Ufford said that P.H.H.S. is the best building he has ever worked at. It's biggest asset over other schools is the students. He feels that P.H.H.S. has a super bunch of students. He said that when anyone walks into our school they can see the friendly Big Red spirit, and when we see Mr. Ufford we can see he really cares.

Our third assistant principal is Mr. Lyszak. His main job here at Port Huron High is doing all the schedules for the students and teachers. He's the man who decides if you get the classes that you've signed up for. Mr. Lyszak also deals with discipline problems. Mr. Lyszak came to us from that "other" Port Huron high school, but now we are sure he is a true Big Red. Currently, he is completing a doctorate in Educational Administration at Wayne State University in Detroit.

## Counselors Write the Script

The counselors main jobs revolve around the occupational, educational, and social aspects of school life. Occupational means the career resource center. Educational would include scheduling, preparing for college and testing. Social means the students personal problems.

The counselors have many problems they deal with daily. They get very frustrated when students fake an illness or are constantly tardy and come for a pass. They could use their time more wisely by helping students who want to excell in school.

## Taking Care of Business

Business Education consists of everything from General Business to Office Occupations Related. General Business presents an overview of activities in the business world. Record Keeping gives an emphasis on personal records such as, budgeting, checking, and buying. Typing 1-4 relates to business application and speed and accuracy skill building. Shorthand 1 & 2 will teach the student the Gregg alphabet and begin to build techniques in taking dictation at various speeds. Data Processing will teach the theory of unit record data processing and electronic data processing. In bookkeeping the student learns how to organize and summarize personal financial facts and how to interpret them. Office Occupations teaches the student to develop skills for working in an office and performing secretarial duties. Retailing is designed to give students an overall knowledge of retail store operations. Marketing will further add to the skills and knowledge needed for the job as well as bringing on-the-job problems to the surface. Office Related will further build the skill and techniques needed for the job as well as bring on-the-job problems up for discussion. The business education department helps hundreds of students develop skills which lead to the jobs of the future.

## The World Is a Stage

Roslyn Pack tries to change the script with Mr. Neimi. Lisa Hooper dicusses her future roles. Mr. Domke faces the world and it's critics.

The Social Studies Department this year offers classes ranging World History from Futuristics. Civics teaches the students about governments and basic skills for living. U.S. History reviews events of our history. POD focusses on government, practical adult experiences, and the consumer aspects of living. Advanced Placement History is for students who are serious attending college. about Futuristics deals with the future of our lives and our world. I'm OK, You're OK gives students an opportunity to express their feelings. Psychology offers an opportunity to learn about yourself. World History is recommended for all college-bound students.

## It All Adds Up

Charles Richards Tom Case Ruby Crittendon Marilyn Fiedler Gerard Hart Sue Hyde

Dick Hissock Sandra Miller Bart Misyiak Kevin Senn Jack Spring

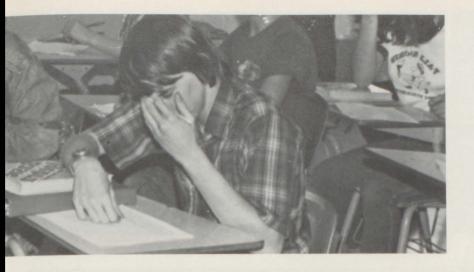

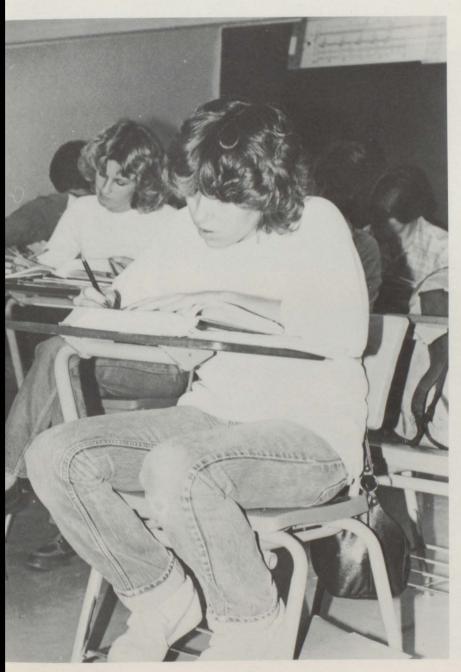

The Math Department has course offerings ranging from General Math to Advanced Math. General Math presents fundamental ideas and applications of mathematics. Algebra students solve equations, graphing problems, story problems, learn factoring, inequalities, and absolute values. In Geometry proof and logic are constantly stressed throughout the students work. Advanced Mathematics is a course designed for college bound seniors which prepares them for Calculas.

There is variety in Math courses offered at Port Huron High, ranging from general math to advanced. What each individual student takes depends upon their goals in life. Below we have the information telling what a college bound and a non-college bound student might select.

Non College Bound:

9th 10th Gen. Math 1-2 Gen. Math 3-4 Basic Alg. 1-2 Basic Alg. 3-4 Algebra 1-2 Geometry 1-2

College Bound or Math Majors:

# **Exploring**

This years Science department consists of a variety of classes. These classes range from Biology to Earth Science. If a student is not planning to take science in college, Discovery, Introductory Science, and Biology is available to them. These science classes deal with the earth, living things, and all aspects of science. For the advanced students Chemistry and Physics are offered.

Mr. Cristicks class examines a former student. Mrs. Rutofske examines her class. Mr. Ask prepares for Physics while Chemistry students work on elements.

Judy Biddle Gene Bolden Bruce Christick Dick Hillaker Mark Law Bart Misviak

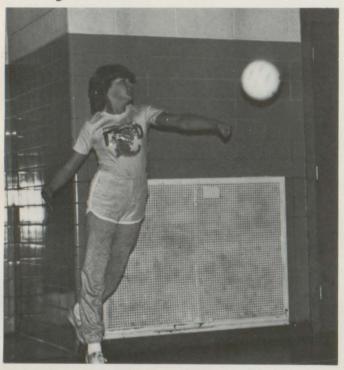

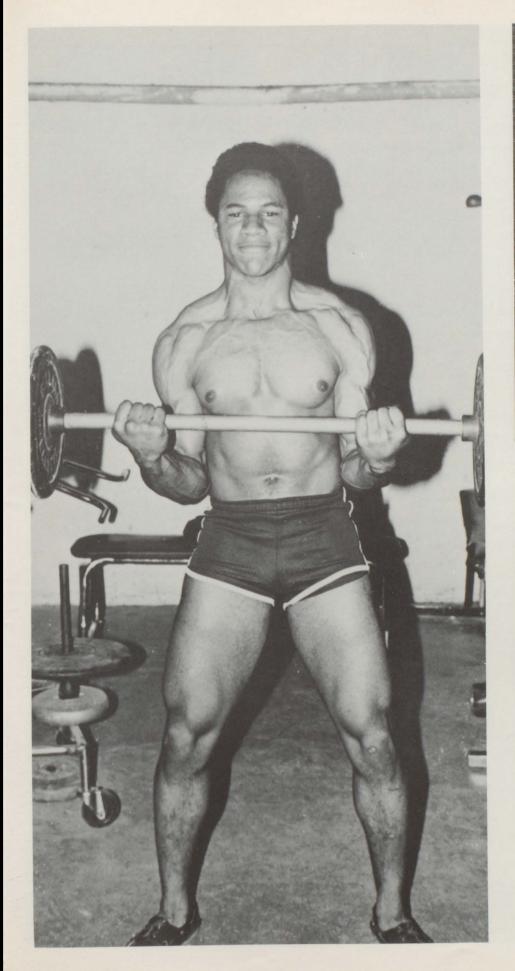

#### Physical Education

A variety of different classes are available to students interested in physical education. These range from general gym to cardio fitness. Some of the more unusual classes include: Leadership training, which allows students to learn how to direct a gym class in his or her senior or junior year; recreational sports class covers a variety of sporting activities including: archery, bowling, angling, hunting, tennis, and others. A new class this year, cardio fitness, gives those interested in jogging a chance to better their skills. Students in this class jog four days a week and on the fifth day learn more about physical education.

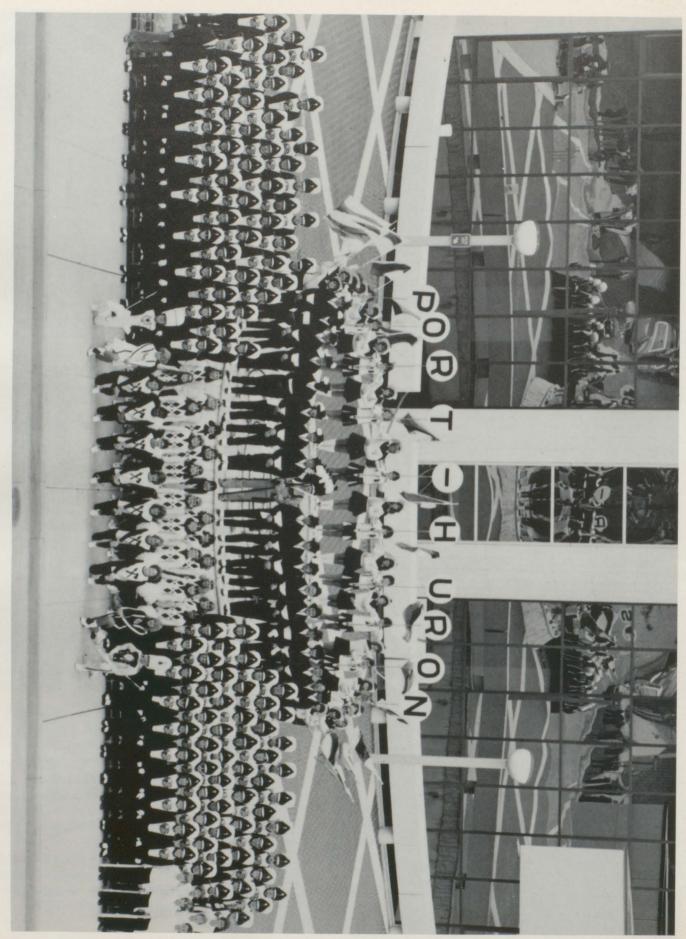

Big Reds show that they are physically fit. Tony Ward is pumping iron! Our physical education department offers many different activities, above a gymnast shows her ability. On the opposite page Volleyball and dancing are activities for girls in general gym.

Senior Kelly Mallory shows loads of enthusiasm while hulahooping in the weight training class for girls.

## Fine Arts

The 1981-82 Marching Machine consists of 223 hard working, outgoing members that show everyone in Port Huron what "pride" really means. Being made up from 10 percent of the student body, the Big Red Marching Machine is the largest organization in the school.

Art class, choir, and band are all catagorized under the department of fine arts. Here we see Kathy Sweeney and Terrill Westbrook concentrating heavily on Terrill's masterpiece.

Port Huron High School offers two foreign languages, French and Spanish. These classes are available to all grade levels. Throughout the year in Spanish class, you experience the taste of the Spanish life style which includes filmstrips, forming short plays, and tasting spanish foods. In French, students have the opportunity to experience the French culture. Films, games, music, and food are used as a basis for discussion of the French lifestyle. It is a shame, in this age of global travel, that all Big Reds haven't taken a second language.

#### Home Economics

Alice Butler Diane Crossman

Home Economics consists of Food and Nutrition, Clothing and Textiles, Leisure Time Skills, Child Development-Family Living, and Money Management-Housing. Foods is learning to prepare a complete meal that is attractive, flavorful, and nutritious. Clothing is designed to give students an understanding of personal appearance, clothing selection, care, and garment construction techniques. Leisure Skills is designed to give confidence and to help fulfill a student's potential in his use of leisure skills. In Child Development the student will learn about the various developmental stages children progress through. Money Management is: the study of personal money management, the buying and using of goods and services, and the rights and responsibilities in relation to a person's legal, social and political concerns.

## English Department Writes the Script

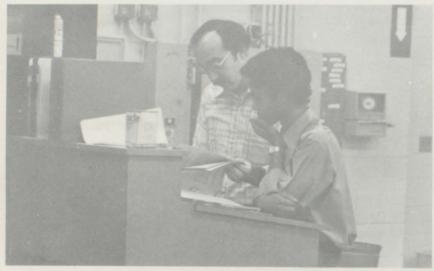

Writing and reporting skills are important aspects of a well rounded English curriculum. Mrs. Smith lectures above while Lisa Nadeau works on an english assignment in the library.

Port Huron High offers a large variety of courses from Literature and Advanced Composition to Creative Writing, Mythology and Shakespeare. Students taking these classes can study anything from the Epic stories of Beowulf the Illiad, and the Odyssey, to plays, ballads, poetry, essays, and novels. Composition and Creative Writing help the students develop basic skills in narrating, describing, and expressing themselves creatively. Basic English classes teach grammar, paragraph developing, vocabulary, composition, essays, and literature. Speech is designed to develop poise and confidence in everyday speech situations. The Performing Arts and Yearbook give the student a chance to "learn by doing." Students in Performing Arts get the chance to participate in the preparations and acting of a play. Yearbook students take part in the actual writing and putting together of a complete school yearbook; plus selling advertisements, and learning basic techniques of designing layouts.

#### The Work Force of Tomorrow

The Skill Center offers many trades for students from every corner of St. Clair County. It helps students to get the training they need to survive in the outside world. It offers classroom work and on the job training. Cosmetology is one program offered by the skill center that is not in the skill center building. The students have to travel to the Cosmetology College in Downtown Port Huron. It takes two and a half years to complete the course and then a test is given by the state. If the test is passed, the student is eligible for a beautician's license.

## The Key Pers of the Peace

As every one knows, there is loads and loads of paper work involved in running a high school. The secretaries work very hard typing transcripts and bulletins to pass on news to the staff and student body. Many people take these secretaries for granted and don't really stop to realize the shape our school would be in with out these wonderful ladies. The next time you go by the office stop and thank these ladies for the many hours they have put in for our school.

## Getting the Big Red Stage Ready

Did you ever stop to think who cleans up the candy wrappers that litter our school each day? Or who cooks the delicious food served in the cafeteria at lunch? These people are called cooks and custodians. They work hard each and every day making this school a more enjoyable place to spend the day.

The head custodian is Alex Dortman. Mr. Dortman has been at Port Huron High for almost twenty-five years. The custodians work around the clock cleaning, polishing, and preparing the school for the everyday events that take place.

The cooks here at Port Huron High School do not directly cook the food for our lunches. The food is prepared at Port Huron Northern and shipped here just before our first lunch at 11:30 a.m.

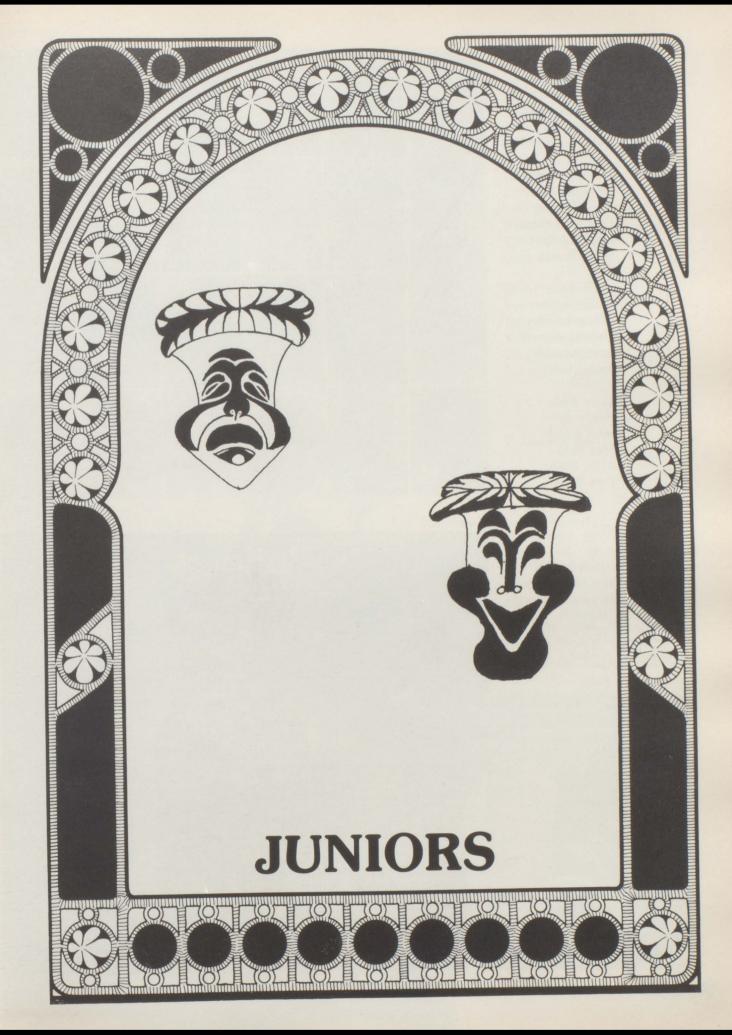

Custodian Wayne Coon, cook Ruth Noskiewicz, and Head Custodian Alex Dortman make P.H. a fine school.

P.O.H.I. students work in the areas of daily living skills and take regular classes. Projects include engraving name tags, engraving signs, and manufacturing fishing trollers. E.M.I. and L.D. resource rooms work to improve skills and help students learn to work to their capacity.

### Happy Students Set the Pace

Look at all the smiles. Everybody at P.H. is smiling because of the return of full day sessions and sports. This year is a great improvement over last years morning and afternoon sessions. Last year students were tired and bored. This year the Big Reds are wide awake and ready to support their favorite athletic teams. The return of clubs, sports, and Student Council has brought enthusiasm back to the student body.

Students feel there are three different ways of surviving school days at Port Huron High.

Dennis Blake, Scott Hayes, and Shauna Bona think the most important way of surviving is paying attention in class.

The second most important step is demonstrated by Keith Schneider and Stan Adams, who feel it is helpful to weigh things out

Larry Kelly, Pat Kelly, Matt Lamb, and Dan Marsh show that studying is an important way of surviving school days at Port Huron High.

On page 114 are three different ways of surviving school days at Port Huron High.

As you can see, Stephanie Thomas and Tammy Zinzo are waiting impatiently with the rest of their class, for the ever popular class room discussion to begin.

Mr. Richards shows how s teacher survives Port Huron High. The teacher must gain control over the class. He must make the students look up to him, as illustrated to the left.

Studying and keeping busy is Aaron Hauenstein's responsibility in Study Hall.

### Where the Big Reds Roam

The average Big Red spends at least one hour every school day in the halls. This is time well spent, they meet friends, share gossip, and occasionally run each other over. At the right, Clarence Miller, Stan Adams and, Brad Miller anticipate the new school day. Below left, Roslyn Pack and Monique Wheeler stroll down the hall greeting their friends. Bottom right, something has caught Lori Shaeffer and Sue Raschke's eyes as they hurry down the hall.

116 Student Life

Jody Radatz and Vicky Ostrander enjoy taking time out to have a little fun and smile for our camera.

Everybody seems to be in a hurry. Greg Hissock, Renee Bickle and John Borowski are determined to get where they're going, especially if schools out!

Notice anything strange about this picture? Maybe the characters, or an extra pair of legs wandering around?

Members of the NHS are chosen on the basis of Service, Scholarship, Leadership and Character. These are people with an interest in school and achievement. Together they make up one of the finest organizations at PHHS.

### Our Human Calculators

Every first and third Monday of each month Mr. Case starts an hour long math club meeting. Mr. Case has been sponsoring the math club for the last three years. Junior and Senior math club members tutor students with difficulties in math.

The requirements for joining the math club are, 5 semesters of college prep Algebra and Geometry, a "B" average in math, and a "B" grade average overall. Math club members are planning a few tours to colleges this year. The math club officers for 1981-82 are Bryan Midgley, President; Martha Emerick, Vice-President; Debbie Pontack, Secretary; Gayle Angbrandt, Treasurer; and Roberta Sumner, Historian.

### Developing Future Leaders

DECA is the Distributive Education Clubs of America. Vocational Understanding, Social Intelligence, Civic Consciousness and Leadership Development are the four points of DECA. DECA members develop a respect for education in marketing and distribution, which will contribute to occupational competence. Members are provided with opportunities for personal growth through competition, social and professional activities. Port Huron High DECA group helps students gain an understanding of and appreciation for our free enterprise system. This years' officers are: Denise DeBell-president, Sherry Burleigh-vice president, Sue Exley-Treasurer, and Dennis Todd-reporter and Parliamentarian. This year DECA members attended the third annual Local DECA Conference at the St. Clair County Community College. In addition members participated in Regional Competitions. Teri Nicholas and John Diller display a few of the trophies brought back to PHHS by DECA students.

Students at P.H. take pride in their school by displaying its emblems. They show loyalty by wearing Big Red insignias on everything from notebooks to license plates. It's their way of saying that P.H.H.S.

is number #1. Michelle Pelc, Kelly Bauman, Kelly Hurley, Ruth Warren, Debbie Dubrowlowski, and Rhonda Ellsworth with folders and Sandy Phillips and Fred Belger wear logos.

### PHHS' Big Reds

Loyal Big Red students think P.H.H.S. is #1. They try to convey this message by displaying their school spirit on jackets. About ninety-five percent of all P.H.H.S. students show their school spirit by wearing these jackets. Tony Porritt models his Big Red jacket with pride. Debbie Dobrolowski is so proud of her P.H.H.S. jacket that she said she'd wear it everywhere. Does that include wearing it to bed? The Big Red Indian is seen almost everywhere at P.H.H.S., especially on peoples' backs.

## Big Reds Get Physical

Students at P.H.H.S. have various ways of becoming physically fit. Ted McLellan and Nate Rogan put on their hiking boots and hike over to the Playground Arcade. Others like Belinda Bennett who are less energetic, indulge themselves by using the computers in the resource room to play football. This saves them from a long hike across the street. Then we have the true physical fit nuts. This group includes people like Hughie Anger, Vince Armstrong, Ted Chickonowski, Cliff Hawkins, Elaine Lawerence, Annette Gauthier and Kim Collingwood and niece who twist, turn and stretch their bodies into painful positions and live through it.

Achievers like Fred are one of the factors that make up the pride and good spirit of our school.

Counseling runner Maureen Koob is in Student Council and is a Junior Varsity Cheerleader. Maureen is just an example of one of the many sophomores that makes the class of "84" what it really is. Many students dedicate a lot of their time in doing things not only for their class, but for the whole school. Schools need more people who are involved. Our school has many students of this calliber, and that is why we are called the "BIG REDS".

# Devotion Funds Big Reds

Howard Reynolds and Doug Stewart try to persuade our principal to buy some cider to help raise money for sports. The food went fast, as freshmen Kim Mecurio, Kelly Bauman, Kelly Dawson, and Connie Thiele sold baked goods at the freshmen bake sale. Items such as cookies sold for ten cents, while the larger items sold for twenty or twenty-five cents. The freshmen class made a forty-six dollar profit. Raise money, boost spirits, and provide leadership are the goals of every class officer. Pictured here are the freshmen officers (left): Kelly Dawson, Connie Thiele, Beth Hooper, Kelly Bauman; and (right) Sophomore officers; Patti Herron, Tracy Green, Shauna Bona, and Crystal Cleaver. Each of these girls has accomplished these goals successfully. Basically, money is raised for their senior year to take care of the cost of the yearbook, class trip, homecoming, and other activities. Shauna Bona, sophomore president, said, "The only means we have to support any of our activities is to sell things. This year we sold flowers, ornaments, and candy." Planning by each class makes graduation a truly wonderful experience.

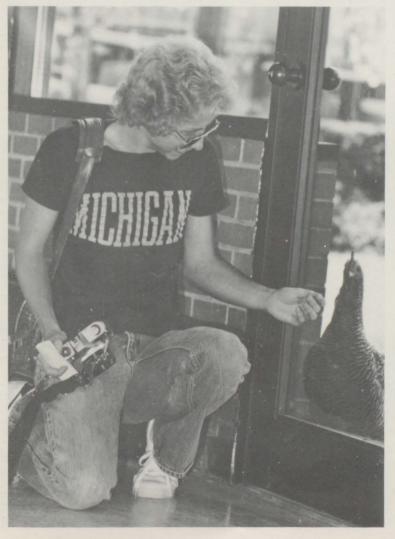

Over \$125,000 was raised by Booster Club Activities this year. The band boosters live it up at the Big Red Marching Machine all night party, as Mr. Verran sings a song, and fellow boosters put action to the words. They are trying to copy "Spike Jones and His City Slickers". Great Scott! The Port Huron High School Athletic Department raised over \$5,000 for winter sports this year thru the generosity of both the management of the Great Scott Supermarket and the consumers who purchased food there. Five percent of the total sales profit for an entire day was given to the Athletic Department. It was a festive day as the choir, band, and drill teams performed in the Great Scott parking lot. Mr. Wydrzynski, Mrs. Zeller, and Maureen Koob show their support for Big Red athletics by purchasing their groceries at Great Scott.

Photographer Ted McClellan while talking to a chick poses with a yearbook camera made possible by local business contributions to our high school yearbook. Without the help of businesses, parents, and members of our community extra curricular activities would not have been possible this year. We thank the community for it's continuous support.

# Catching Big Red Fever

Big Red students Rae Ann Pringle, Mary Gardocki, and Tracie Green show their spirit by clowning around during lunch hour in their own version of "The Great Performance".

Below: Australian foreign exchange student Madeline Klug clearly has Big Red spirit. Right: Sophomore Michelle Buckeridge waits patiently for her bus to arrive (which is 20 minutes late).

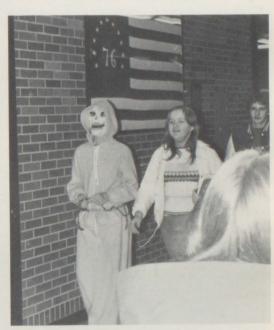

Madeline came thousands of miles just to attend P.H. She comes from "down and under" Australia. Madeline plays the cymbals in the Marching Machine and also is an active member in the SAA. She blends in very well and has become a true Big Red. We hope her stay with us in the United States is a happy one.

Unobtrusively Chris Cameron and Sue Corey trade gossip and make up secrets during their "favorite" class. Becky Moeller, number 23, shoots another basket for the Big Reds. Omega-man, Mike Halamka escorts Crystal Graham down the hall, while Tom Harris looks on. Anxiously awaiting the thrilling work in class, Dawn Mollan glares off into space.

Sophomore Kim Robinson is showing her enjoyment while performing at the first Open House of the year. She is a very promising member of the team and is expected to make it big with the team during her next two years.

This is the ten year anniversary for the Display Flags. For the past decade the flags have added color and variety to the Big Red Marching Machine. The flags perform at all home football games and a few home basketball games. They also perform on their own at various competitions. In 1980, the team won first place at Rochester, Michigan. The sponsor of the 1981-82 flag team is Mrs. Joyce Long. She is a teacher aide at Sparlingville Elementary. The officers this year are: Roberta Sumner, captain; Paula Heddle, co captain; Marie Solomon, secretary; Sharyn Hubbard, treasurer; and Lisa Long, historian. Our wardrobe mistress is Kim Robinson.

# Thunderbirds Jazz It Up

The Thunderbirds are a dance and drill team consisting of 18 girls and a Little Red Princess. They perform at assemblies, football and basketball games, and parades. Each year the T-Birds enter competition and they attend clinics to get ideas for new routines. Pictured below are: Darcy Watson-Social Chairman, Colleen Mullins, Kim Winchester-Historian, Elisa Polovich-Capt., Andrea Moore -Ass't Capt., Stacy Reynolds, Audrey Wert-Secretary. Not pictured Carol Manning. Sponsor Mrs. Polovich. Mr. Ufford assistant principal and former sponsor of the team said this about the T-Birds, "In all the years (this is their 11th anniversary) from the time of their inception until the present, they've upheld a very high standard of performance. The members have always been a credit to our school."

# Tom-A-Hawks Really Cut It

Terri Gutierrez, leads the Tom-a-Hawks in activities such as parades and sport events. The team often performs with the Marching Machine during halftime at football and basketball games. "Their performance is guaranteed to raise the hair on your scalp." ### Wanted: Male Cheerleaders

The first male cheerleaders added to the cheerleading squad at Port Huron High in many years are Lenny Smith, Brian Childs, Dave Rix, and Donald Edwards. Diane Schneider, Lisa Nadeau, Jill Secory, and Kathy Coats as well as the rest of the varsity squad have spent many hours teaching them cheers. For all involved the time spent is a mixture of work and play.

The cheerleaders feel that the new members add strength and excitement to the squad.

# Creating Acts Of Skill

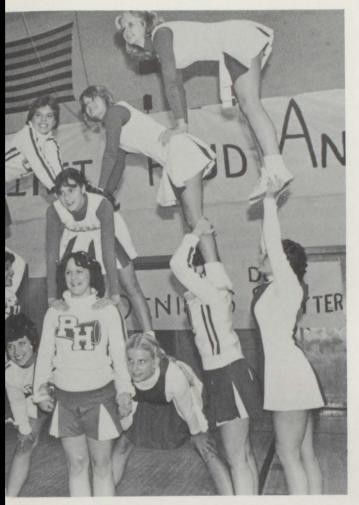

"Never missing a game whether rain or shine, the Varsity Cheerleaders devoted their time, cheering at football and basketball games. The Cheerleaders while doing two man high mounts, showed us how to create school spirit with precision and originality. Their enthusiasm increased school spirit throughout the year.

# To Raise School Spirit

Junior Varsity cheerleaders had an excellent year with practices almost every day after school. They gained strength and skill to become a very strong squad. With Captain Karen Novar and Co-Captain Carol Phillips the team progressed through the year. This year J-V Cheerleader's performed at parades, football games, pep assemblies, and J. V. Basketball games.

Junior Varsity cheerleaders for the "81-82" school year are: Captain, Anita Kuta, Maureen Koob, Anna Prax, Carol Phillips, Petra Dickson, Beth Hooper, Sue Vernon, Denise Nadeau, Tammi Fleming, Sherry Genaw, and Karen Novar.

# Pied Pipers of PH

Our school has three bands, the Cadet Band, the Varsity Band, and the Honors Band. The Cadet band is made up of just freshmen. Each band student entering Port Huron High must go through the Cadet band before being accepted into the Varsity or Honors Bands. Next is the Varsity band that is primarily sophomores. Some sophomores, however, who are exceptionally good, are accepted right into the Honors band which is primarily juniors and seniors. Each band plays at their own spring concert and at the annual Bandtastic's show. The Honors band, when combined with the numerous girls groups in the school, is turned into the Marching Machine. This group, of 223 hard working students, performs at all home football games, and at most home basketball games. They also march in various parades through out Michigan and Canada. All three bands are conducted by Mr. Payton who has been the band director at P. H. for the past fourteen years.

The Marching Machine has traveled to places such as Germany, to perform at the summer Olympics, The Hudson Day Parade in Detroit, New York City, Walt Disney World, and this year was invited to perform at the Super Bowl Parade. Mr. Payton has been a big asset to the three bands and also the entire school. Many thanks is given him for his support and devotion to the school and the community.

Stajarmy means stage army. Stajarmy's job is to make sure the Machine has all the equipment they need when they perform. If it wasn't for the stajarmy the Machine would be in complete chaos.

Top row: Joe Helton; Bryan Midgley; Erich Ditschman; Charlie Friedland; Sandy Hanneke; Jon Guske; President Dave Dell; Bill Glen; Tammie Sophia; Treasurer, Andy Wager; Jim Manning, Vice President.

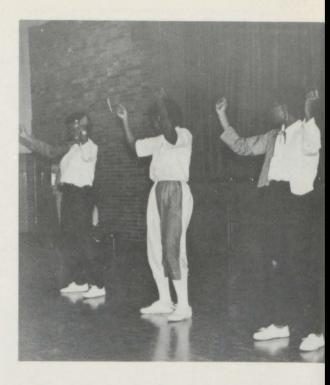

The Pied Pipers of the Marching Machine are the Band officers. Left to Right: Vice Pres. Susan Ballard, President Renee Walsh, Secretary Julie O'Dell, Treasurer Becky Whitican. The officers have done a lot to conquer the test of bringing the band closer together. We think they have accomplished that task.

To the left we see a smiling Anita Harrison as she gets ready to march through the hall before an assembly.

The Honors Band Drum Major, Kent Dougherty, assists students during the Cadet Band class. Kent is a senior this year and works very hard with each band.

# **DANCING**

MACHINE

The Big Red Dancing Machine originated this year with Noreen McClarty as captain.

The dancers are: Tina Sanderson, Roni Lloyd, and Tracey Williams.

Noreen said "It's fun and we get along good. Mrs. Price is really sweet."

Mrs. Kay Price is their outside sponser. All of the members are very grateful that she volunteered her time. She has been a lot of help to the team.

# Big Red Adventure Series

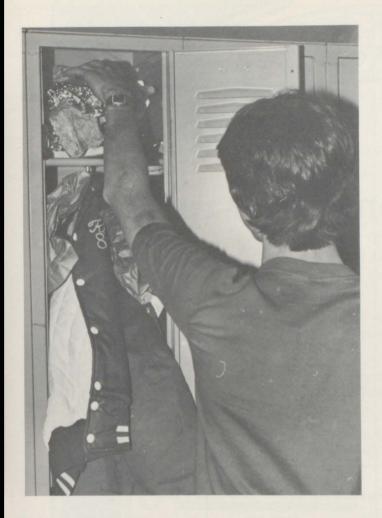

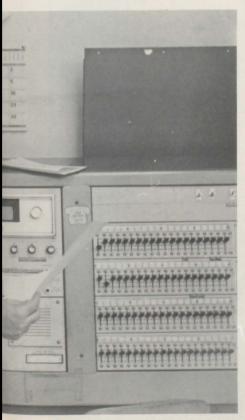

184 Student Life

Ambitious Andy Marsh shows his skills using the band saw; Hey, Joe Reuter, SAY CHEESE!; English students, Kim Mercurio and Michelle Pelc try to hide their cheat sheets before a test; the cheerful voice of Mrs. Lewis rings through the halls of P. H. every afternoon while Cathy Jo Cook's rings in the morning. Here, Joe Shonka risks his life by sticking his hand into a tuna scented locker which contains decaying green, moldy sandwiches; P. H.'s number one. A. V. aide, Jim Langolf gets things organized; second semester brings about annual havoc at the bookstore.

The Staff at Viking Lanes, Would Like to Congratulate the Seniors at Port Huron High for working so hard to achieve this goal in your lives.

# JUST TWO YEARS IN THE ARMY CAN HELP PAY FOR COLLEGE.

These days, money for college is becoming harder and harder to find. Except for people who look in today's Army.

The Army combines good-sized college benefits with a short two-year enlistment.

So you could accumulate thousands of dollars for college and be home to use it in just two years.

You'll also bring home the kind of maturity that can help in college.

So, if you're in a hurry to earn money for school, consider the Army's two-year enlistment. It can get you money for college before you even start to lose your study habits.

Serve your country as you serve yourself. See the Yellow Pages under "Recruiting." Or call: 982-4911

Colophon

The Student is volume 76 of the Port Huron High School Yearbook. It was printed by the Inter-collegiate Press in Shawnee Mission, Kansas. The Pioneer Method is used by the staff in making the yearbook. This means that we shoot, print and crop our own photos, then they're sent to the company to be reduced or enlarged to size. The layouts are drawn on company matts. The layout mat paste up is by I.C.P. Yearbook page size is 8 x 10% and the paper stock is 80 lb enamel. There are 208 pages in the yearbook, the composition is type 30, and the binding is signature. This year 1,075 yearbooks were sold which is the most ever sold at P.H. Vellum liner stock is used on both the back and front. The cover design is a stock cover containing artwork by Tim Bruehan which was produced using a silk screen. The cover is red and white and stiffly constructed.

The staff and advisor of the 1982 "Student" are indebted to the following people without whose help this yearbook would not have been possible:

Mr. Steve Carlson-Intercollegiate Press

Mr. Richard Chapman-English Dept. Chairman

Mr. Charles Richards—Science Dept. Chairman

Mr. John Ufford—Assistant Principal Mr. Walter Lyszak—Assistant Principal

Mr. Mac Domke—Sports Group Photography

Mr. Ralph Polovich—Band Group Photo

Mr. Chet Wydrzynski-Principal

In addition a special round of applause is directed at Mr. William Mitchell. His guidance and direction were made available to students and rookie advisor alike. We are deeply indebted to him for his time and boundless energy. Finally we wish to thank all Big Reds who have supported this yearbook and we dedicate "The Great Performance" to all of you.

### The Grand Finale

The 1981-82 year has been one Great Performance. Traditions and spirit set the stage as the year went on.

The traditional scene of fine sports was carried on as the whole school participated eagerly in pep assemblies and single sessions.

The whole student body welcomed sports back after a one year absence.

School began with our first pep assembly. As the fight song was played the seniors stood to show their loyality. Then, the underclassmen stood following the leadership of the senior class.

Our Varsity cheerleading team went to the Silverdome in Competition. They competed against 87 top cheerleading squads, bringing home a fifth place tro-

phy to add to our brimming trophy case. Returning to the football field was the Big Red Marching Machine which performed to a drum corp movement titled, "If you Believe." This brought the fans to their feet. Competing in three parades, the Machine took two firsts and one third place. They were invited and accepted Marching in the SuperBowl Parade but because of inclement weather conditions the Machine had to cancel. The S.A.A. played an important role in school government. Members worked hard to make the year a memorable one for all. The S.A.A. organized dances and activities to add to our social lives.

As the curtain closed on the 1981-82 school year we said our final good-byes to the Great Per-

formance.

The school's, clubs and activities have closed down production. The performers have rushed to summer parties and excitement. Suddenly the sound of the active halls was silence.

Finally the lights dimmed for the summer. Memories of the past year float quietly through vacant classrooms. Until next years energy breaks the silence, and the 1982-83 school year begins.

Looking downtown from the military street bridge was captured by Charlie Cortez using a Canon AT-1 camera and a 50mm 1.8 lense shot at 5.6 with a 1.35 aperture. The students of Port Huron High would like to thank the business community for all their support.
